

The Director-General of the World Health Organization (WHO) has the honour to invite the non-State actors in official relations with WHO, in accordance with privileges conferred on them, to appoint representatives to attend the 150th session of the Executive Board which will be convened on Monday, 24 January 2022.

In light of the current global situation, and following a decision taken by the Executive Board through a written silence procedure, the 150th session of the Executive Board will be held using a hybrid format which involves having the Board members participate in-person, should they wish to do so, and other Member States, as well as other categories of participants, through a virtual platform.

Registration can be initiated **as of 10 January 2022** by going to the following link: <https://indico.un.org/e/EB150/PBAC35/fp>. Details for accessing the virtual platform will be provided following completion of the registration process. The deadline for registration is **21 January 2022**.

Documents for the 150th session of the Executive Board can be accessed on the Internet through the WHO website (<https://apps.who.int/gb/gov/>) as they become available and practical information for delegates is attached.

**150th session of the WHO Executive Board, 24-29 January 2022 – Hybrid meeting.
Practical information for delegates of non-State actors
in official relations with the World Health Organization (WHO)**

1. The 150th session of the WHO Executive Board will be convened from 24 to 29 January 2022, commencing at 10:00 (CET).

In light of the current global situation, the Executive Board will be held in a hybrid format, using video conferencing technologies.

Registration

2. Online registration is required for the Executive Board. To that end, the invitation letter to the Executive Board provides a link to register through [INDICO](#). Each non-State actor must designate a Focal Point to be responsible for registering its delegation in the system.

3. Online registration requires each non-State actor to upload a copy of its credentials, that is, a signed response to the invitation on the non-State actor's letterhead indicating the name of the head of delegation, the name(s) of the other representatives, function of each delegate in the non-State actor itself and, where appropriate, in an affiliated entity. The WHO Office of Governing Bodies will verify the information received from the Focal Point in the registration system to generate the List of Participants and send the log in details to access the virtual meeting.

4. An example of credentials is attached for ease of reference.

5. Registered representatives of non-State actors will appear in the official WHO records as participants. During the registration the affiliation of each delegate is required. While the non-State actors are invited to appoint a representative or representatives to participate in the Executive Board, disproportionate representation at the meetings is to be avoided.

Executive Board documents

6. As they become available, documents for the Executive Board are posted on the WHO website at <https://apps.who.int/gb/gov/>. The documents are available in the official languages of WHO: Arabic, Chinese, English, French, Russian and Spanish.

Non-State actors statements at the Executive Board

7. Considering the specific arrangements set for this Session of the WHO Executive Board, non-State actors in official relations with WHO that have registered to participate may request to make statements through a dedicated video connection, during the meeting of the Executive Board, under a technical item in which the non-State actor has a particular interest. The following process applies:

- Constituency statements will be tested on three agenda items during this session of the WHO Executive Board. More information on the agenda items, and modalities on the statements as well as their length will be sent to non-State actors in official relations as soon as it is available.
- Non-State actors requesting to make statements should register on the Statements' platform at <https://extranet.who.int/nonstateactorsstatements/>. Once the registration form has been submitted, an approval email will be sent with relevant details on the process to be followed.
- Statements should be posted on the platform at the latest by 08:00 (CET) of the day when the agenda item is scheduled to be discussed. Once the agenda item has been opened for the

discussion, the list of speakers cannot be amended. Please note that there will be separate tabs for constituency statements and individual statements.

- Statements should focus on technical issues, should be directly relevant to the technical item and should not contain promotional and/or commercial references. Accuracy of the technical components should be considered. The titles of organizations and/or specific doctrines are expected to be correct and there should be no spelling/grammatical errors.
- Statements should not raise issues of purely political nature that are unrelated to the topic and should not contain any inappropriate or offensive reference to Member States. The nomenclature used to refer to Member States, or areas of Member States, must follow that of the United Nations. In case of doubt, please consult nsastatements@who.int.
- The speaking time for individual statements, confirmed by Member States, would be no more than one minute, which corresponds to approximately maximum 140 words.
- Statements posted but that were not read out during the working sessions or those that do not follow the process described in this note will not be allowed to be posted on the statements' platform and can be withdrawn at the WHO's Secretariat's sole discretion.
- To note, the written statements are posted for a limited time, and will not be retained on the website thereafter. Only statements presented verbally at the invitation of the Chairperson will be considered in WHO's official records.
- Speakers are invited to follow the proceedings and webcast to know the precise time when the items will be discussed and to be informed of any change in schedule.
- While every attempt is made to keep non-State actors informed of the status of their requests, it is the responsibility of the non-State actor delegates to follow discussions and the procedures and any guidance that may be updated, considering the exceptional virtual format.
- Statements will be made only at the invitation of the Chairperson. In case of delays, to facilitate the progress of the meetings, the Chairperson may decide to limit the number of statements to be delivered under an agenda item and/or reconsider the time allotted for statements. To note, the speaker list follows the order in which statements were submitted.
- As decided by the Chairperson, the moderator will call upon the non-State actor included on the list of speakers for each item to make its intervention. The non-State actor should ensure that only one **speaker from its delegation has the facility to raise hand** in the platform and does this in due time in order to be given the floor. In case of any issues with the connection the non-State actor is invited to contact GBS-Support@who.int.

Due Diligence and Non-State Actors Team

8. Health and Multilateral Partnerships (HMP) team serves as the focal point for non-State actors during the Session of the Executive Board. For enquiries about non-State actors statements to the Executive Board (**except registration**), an email can be sent to nsastatements@who.int.

9. Queries and technical issues related to the online registration can be sent to INDICO@who.int.
